PREVIOUS COLLECTIONS

MAKE-UP COLLECTION

This collection is characterized by different design elements, each surface is made of a plate of aluminum, brass or DuPont™ Corian®.

KEYBOARD COLLECTION

The design of these switches is characterized especially by the buttons - they are based on a computer keyboard and create a playful, elegant look.

SKIN-COLLECTION

The SKIN collection is a collection of switch plates characterized by their distinguished by their changeable 'skin'. The great adaptability of these switches will allow to combine the details of the rest of the room, such as woodwork, parquet and furniture.

There are several more collections and products.
